---

The 2019 Tyneside Stages Rally sponsored by Glendinnings of Prudhoe will take place at Otterburn Ranges on Sunday 4th August 2019.

Marshals of all disciplines (Radio, Timing, in stage etc) are invited to the ranges to support the event for a day of motorsport.

Sign on will take place on the airstrips approximately 6.30am. (This will be confirmed nearer the event).

Your help as ever will be much appreciated and as a token of thanks the event will be supplying a goody bag.

### Motorsport UK Marshal Accreditation

As you may be aware stage personnel need to be Motorsport UK accredited to marshal independently on a stage rally, therefore can you please confirm that you have completed the accreditation and advise us of your 2019 Motorsport UK number. Non accredited marshals are still very welcome but will be required to be buddied with an accredited marshal.

You can become an Motorsport UK accredited marshal by completing the simple registration and completing the basic online training by following this <https://www.motorsportuk.org/Marshals>
